

Sydney Business essentials your Australian Business solution

For 15 years this business has been capitalising on the enormous Sydney commercial marketplace by offering a range of new quality photocopiers, faxes and printers for hire or purchase.

In terms of business interests, Sydney is commonly regarded as the capital of Australia, boasting a thriving multi-million dollar commercial industry. By offering a range of quality office machinery products for hire and purchase, the business has been able to attract a premium clientele spread throughout the Sydney metropolitan area. The company has strong relationships with product manufacturers.

Mostly comprised of small to large business, many of its clients choose to lease or rent the equipment, offering a lucrative source of consistent revenue, while those who purchase use the business for upgrades, repairs and servicing. Currently the business services 400+ ongoing clients and has a database of almost 3500 clients and generates a combined \$1.5 million turnover.

Through an active sales team, word-of-mouth and advertising, the business has been able to consistently grow its market share. With a near bottomless potential marketplace, the new owner has the opportunity to take this business to the next level supported by an experienced staff.

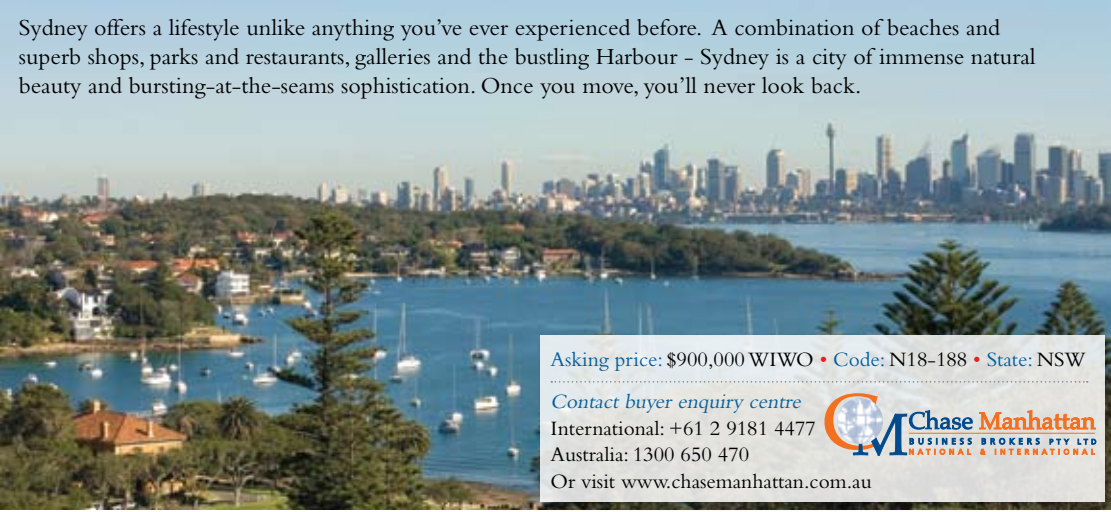

ITS PREMISES IN WESTERN SYDNEY OFFER MODERN WELL-PRESENTED FACILITIES THAT INCLUDE: -
