

NORTH QUEENSLAND TRANSPORT COMPANY

- your fast-track to the top

This North Queensland transport company has had the benefit of the owners 10 years experience in the earthmoving business. After only 3 years, the business is now one of the region's leading providers of bulk transport services across a range of applications.

Its core services include the bulk delivery of material such as road base, sand, grain, fertilizer and quarry materials, for a premium clientele across a range of industries. With a decade spent operating in the region and backed by an impeccable reputation for timely delivery the business continues to experience strong growth.

Using its fleet of 16 well-maintained vehicles and associated loaders and other plant, the business transports goods throughout North Queensland as far south as Brisbane.

The business handles all maintenance of vehicles in-house ensuring complete quality control and minimising any downtime. Across the board, the business' experienced and dedicated team have been a key factor in its longevity and success.

It operates from a large country property on the outskirts of a major coastal city. Its new purpose built depot is in the final stages of construction and will make an impressive new base of operation for the business. The freehold title to the site is included in the asking price.

Also on the property are three separate residences including one 'Queenslander', 1-bedroom unit and 2-bedroom unit. It makes this opportunity the complete business and lifestyle package and your ticket to tropical North Queensland.

With its warm climate, great beaches and friendly laidback atmosphere, North Queensland is regarded by many to be the ideal Australian destination. The gateway to the Great Barrier Reef, the region also has a well developed infrastructure of health, education, and transport facilities. Combined with its shopping, cafes and restaurants, you couldn't ask for more.
