

Build your new life from the ground up ...

COUNTRY FLOOR COVERING BUSINESS A SPECTACULAR START

Offering great income and lifestyle this business is the ideal opportunity on which to build your new Australian life.

For seven years, this business has been supplying and installing carpet, vinyl, vinyl tiles and planks, cork, floating floors, rugs and artificial grass for a large commercial and domestic client base.

Competitive pricing and quality products have ensured success. In addition to its domestic clientele the business has ongoing government, developer and building contracts.

Its modern well appointed showroom, office and warehouse (combined 450 sq metres) features invaluable highway frontage. The business has the distinct advantage of being the only operation of its kind in a 20km radius.

Using a network of sub-contractors to install products means the new owner will not require any hands-on experience.

If you're looking for a lifestyle removed from the city, then the local area will be your perfect escape. With plenty of sport, education and health facilities, friendly community, and clean safe environment it's an ideal family location.
